### Building Together

Dear Valued Member/Owners,

I hope that you have enjoyed your summer and have had the opportunity to enjoy the great outdoors. The year has moved quickly and the leaves will soon be falling. September 2008 marks the beginning of a significant moment in the evolution of CFCU, the beginning of our 35th year of banking made better!

Your credit union is strong and grows stronger each month. While some other financial institutions have been struggling with delinquency and deteriorating overall conditions, CFCU continues to enjoy steady growth, improved dividends paid to members and a very stable, healthy loan portfolio. In fact, your credit union has a 5 Star Superior Rating. We have not only improved and added to services offered, but have also greatly enhanced our technology and have cut our operating costs significantly while doing so.

With very strong and careful oversight, a conservative approach and the security of federal deposit insurance, your credit union remains a place in which you can have deep confidence.

We want you to enjoy the benefits we offer to our membership, including a 6.87% VISA, an ATM/Debit/VISA card that allows direct access to your funds from anywhere in the world and anywhere VISA is accepted, home/auto/boat/and personal loans with exceptional rates, along with premier rates on investments and free online banking for everyone.

If you have tuition, gift giving or home improvement expenses, let us know! We have money to lend and a desire to help. Together, we can turn your dreams into reality and build a solid financial future for your family.

The Robert J. Chaldecott/CFCU Endowment for Scholarship and The Marion A. Crowe/CFCU Endowment for Scholarship, are both now established, donations to either or both may be made in care of CFCU's main office and made payable directly to the endowment. This is a fitting tribute for two fine leaders, and we are proud to associate our names with them. Both endowments will benefit deserving students enrolled in construction management at Lawrence Technological University beginning with the fall semester of 2009.

Your credit union is in great shape. We are banking made better, and getting better every day.

Thanks for your loyalty!

*Jim*

# Internet Pirates are Phishing for Your Personal Identification

## Here are a few ways to protect yourself and your funds

Phishing, pronounced “fishing” is a new type of internet piracy. Thieves “fish” for your personal identification information, such as your Social Security number, account numbers and passwords, so they can steal your identity. To protect yourself and your funds, use caution when you share identification information with any unsolicited third party.

If you fall victim to phishing or any other type of scam that would jeopardize the security of your identity, contact Construction Federal Credit Union immediately. For more information on how to prevent identity theft and to report suspicious inquiries, visit [www.consumer.gov/idtheft](http://www.consumer.gov/idtheft).

- E-mails and websites may appear to be professional; but if you have any doubts, contact the inquiring third party.
- Your account statements could provide valuable clues if someone has stolen your identity.
- If you did not initiate the contact, do not provide your personal identification information over the phone.
