Building Together

Dear Valued Member/Owners,

As the years go by it seems the seasons pass faster; autumn is here and winter isn't far behind. I hope this note finds you and yours well.

Your credit union is remarkably strong and actually grows stronger each month. While most other financial institutions are struggling with deteriorating overall conditions, CFCU continues to strive and experience steady growth, solid dividends paid to Members and a very stable, healthy loan portfolio. Our 5 Star Superior Rating remains intact and our lending rates are ever improving. We have continued to enhance the technology through which we serve you and have continued to cut our operating costs in doing so.

We cannot control what is beyond our walls, but we can limit how it impacts and affects our world. Through careful oversight, a conservative approach and the security of federal deposit insurance, your credit union remains a place in which you can have deep confidence.

We want you to enjoy the benefits we offer to our membership, including a 6.87% VISA, an ATM/Debit/VISA card that allows direct access to your funds from anywhere in the world and anywhere VISA is accepted, home/auto/boat/and personal loans with exceptional rates, along with premier rates on investments and free online banking for everyone.

Again this year, immediately following Thanksgiving, we will be collecting non-perishable foods for donation to those having trouble keeping food on the table. Your help is encouraged and appreciated.

Kites rise highest against the wind, not with it.

~ Winston Churchill

I am so proud to serve you.

Your credit union is in great shape. We are banking made better, and getting better every day.

Thanks for your loyalty.

Jim
